PRINCIPAL'S REPORT

Welcome back to students, families and staff for what will be a very busy and exciting nine weeks of Term 2.

Junior/Senior Modernization

Our demolition works have begun in preparation for the construction of Stage 1 school modernization at Heatherton Road. These exciting developments are forming a major part of our daily conversations and observations. There are amazing learning opportunities that can be applied to our daily learning programs.

Mask Wearing

Many COVID restrictions have now been lifted and we are looking forward to the opening up of most community facilities. I remind all students and parents that students using our school buses are required to wear masks when travelling to and from school and on school excursions. This requirement has also been stipulated for the use of public transport.

VALUE OF THE FORTNIGHT

We will be studying the value, Thankfulness, for the next fortnight.

We practice Thankfulness by appreciating what we have and the unique qualities which makes us the person that we are. There are many things that we can be thankful for.

Last Monday was ANZAC DAY. It gave us all an opportunity to thank the 103,000 Australians who have given their lives in the service of their country. These men and women secured the safe and free world that we now live in.

Their sacrifice gave us the opportunity to live responsible and peaceful lives in a society that values human dignity and the rights of all people to make their own choices in life.

Lest We Forget.

JUNIOR SCHOOL NEWS — JSC, JSD AND JSF EXCURSION TO CHELSEA BICENTENNIAL PARK

On Wednesday 30th March, the students of JSC, JSD and JSF went on an excursion to Chelsea Bicentennial Park as part of our 'Buddies – Friendship' program. All the students were extremely excited and luckily the weather could not have been any better. Everyone had a great time travelling on the bus together, and at the park with several rides and slides to keep us entertained!
