## **PRINCIPAL'S REPORT**

Welcome back to Term 4! It will be a 12 week term filled with many important occasions and achievements.

One of the key issues that is catching our attention this week is the rapid progress being made on the steel framework for our two storey Stage One building. It is predicted that the roofing structure will be completed by the end of October.

I wish all students, staff and families a positive and happy Term 4!

## VALUE OF THE FORTNIGHT

We are currently studying the value, Tolerance. Tolerant people accept things that they cannot change.

They can accept differences. If others make a mistake, tolerant people forgive them and accept them for the way they are.

Practising tolerance requires us to be us to be patient and flexible.

## **JUNIOR SCHOOL NEWS — NO HAT, NO PLAY**

A reminder that all students (and staff!) are required to wear a sun-safe hat (preferably navy blue) whilst outside during Term 4 and Term 1. This includes playtimes, physical education classes and school excursions. If a student is not wearing a hat they will be required to be in an undercover area.

Types of sun-safe hats include:

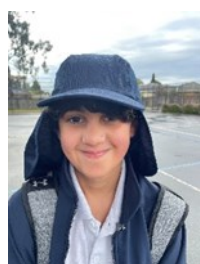

**Broad-brimmed hat:** The brim should be proportional to the size of the child's head and provide shade for the whole face.

**Bucket hat:** Bucket or surfer-style hats should have a deep crown and sit low on the head. It should shade the face, ears and back of the neck.

**Legionnaire-style hat:** Legionnaire-style hats should have a flap that covers the neck. The side flap and front peak (brim) should meet to protect the sides of the face.

*Please Note:* Baseball caps and sun visors do not protect the cheeks, ears and back of the neck and are not recommended. Our Junior School students are wearing their sun-safe hats outside as you can see in the photos. By the start of next week, all Emerson School students (and staff!) will need to be wearing a hat outside.
