PRINCIPAL'S REPORT

The Occupancy Permit has now been issued for Emerson School to use our Stage One new building. This is a momentous achievement and we have so many individuals and organisations to thank. Our School Council is to be congratulated for its persistence over the last 25 years in constantly promoting a vision of educational excellence.

On next Tuesday, 25th July, our school office staff will be operating out of our new building. This will mean that school buses will be arriving at the front of our new drive through car park. All students will be moving through the foyer of our new building to their various learning locations throughout our campus. Classes will commence in our new building in stages over the course of the next two weeks. Mr David Walsh, our Junior/Senior Campus Principal, will be issuing an operational statement so that all parents, staff and students will know about how our various buildings can be accessed in this new period of operation.

I would like to thank all members of our school community for their cooperation during the introductory period of our new facilities. We will keep everybody posted of the various formalities and publications that will surround our new image.

*John Mooney
Principal*

VALUE OF THE FORTNIGHT

We will be studying the value, Persistence, next week.

Persistent people never give up. They keep going until they have completed the task, regardless of what obstacles and challenges get in their way.

Michael Jordan is one of many people who failed to make the cut in the NBA at his first try-out. He persisted and never gave up until he reached legend status in the NBA. He is known as one of the greatest basketballers in the history of the game. He said, 'I've failed over and over and over again in my life and that is why I succeeded.' Michael used his failure as an inspiration to succeed.

*Dianne Wright
Campus Principal—Middle School*

DIARY DATES 2023

TUESDAY 15TH AUGUST - Curriculum Day (no school)

FRIDAY 15TH SEPTEMBER - Last Day of Term 3 (early finish)

MONDAY 2ND OCTOBER - Term 4 Commences

JUNIOR SCHOOL NEWS—NATURE WALK

Junior School students returned to school this term to find the Nature Walk area had been finished and was ready to be used. The Nature Walk has been designed as a place for students to play and relax amongst the newly planted vegetation, stepping stones, grassy mounds and huge sandpit.

I asked the students what they like best about our new Nature Walk:

Indego and Noah – laying on the soft grassy hills

Kevin – making a big mountain in the sandpit

Annabella – sitting on the hill in the warm sun

Zain and Gerrard – rolling slowly down the grassy hills

Karly, Anthony and Aden – building sandcastles in the sandpit

Sofia and Yunus – relaxing on the grass hills

Blayden – building a robot in the sandpit

Selena – building tall towers in the sandpit

Nikkisha – the new trees

Elijah – building forts in the sandpit

Qaireena and Hamzah – walking around the concrete paths

Thomas – walking on the stepping stones

Henry – digging in the sandpit

Leanne Russell
Head of Junior School
