PRINCIPAL'S REPORT

I would like to thank all parents and guardians who attended yesterday's Program and Student Review meetings (PSR). The purpose of our PSR meetings is to discuss, develop and review a student's Individual Learning Plan. At Emerson School, PSR meetings are held twice a year, in March and July to look at student progress. These meetings are always a wonderful opportunity to evaluate the progress of every student and to form closer bonds of communication.

VALUE OF THE FORTNIGHT

We will be studying the value, Kindness, for the month of August as you can never have enough Kindness in the world. Kindness is showing care and concern for other people, animals and the environment. Need not be on a grand scale - it can be in a small gesture.

This week's Kindness Award winner, Alena, supported her classmate by staying by her side and offering support, during a difficult time. Alena offers support to many of our students. Her kindness has helped many students over the years.

JUNIOR SCHOOL NEWS—NATURE WALK

Junior School were excited to welcome Rowan and his crew from Station 87 in Dandenong. The firefighters talked to us in the Emerson Room about what a firefighter does and what they wear. The firefighters answered many great questions from our students.

We then went out to the firetruck and we saw where all the important equipment is stored on the truck, including the extendable water hose and ladder. Each student got to climb up into the firetruck and walk through the back of the cabin. We thanked the firefighters and waved them off as they drove away with the firetruck sirens sounding!!!

A huge thank you to Miss Siobhan Liddy for organising the visit. Each student was lucky enough to get given fire safety stickers and an activity book to take home.
