PRINCIPAL'S REPORT

We are currently preparing for a three day School Review that will evaluate student learning and wellbeing over the four year period of 2021 – 2024. This process will involve a Reviewer from Monash University, two external School Principals, and our Senior Education Improvement Leader (SEIL) from our Regional Office of the Department of Education.

Over the last 25 years, we have been involved in an enormous expansion of our learning programs and the recruitment of highly skilled staff. The aim of these developments is to unlock the potential of all students. The completion of Stage One and Two of our Building Modernization program in 2023 and 2025 has provided our students and staff with spacious and specialized facilities that our students and staff need and deserve.

The forthcoming review will provide us with the impetus to continue and complete our modernization program.

VALUE OF THE FORTNIGHT

Value - Cleanliness

We will be studying the value Cleanliness this fortnight.

Cleanliness involves bathing every day and keeping your body clean. It means wearing clean clothes and keeping your belongings neat and clean.

Cleanliness helps protect us from disease.

When we have clean teeth, hair and clothes we always look and feel good.

Inter-School AFL & Netball Carnival

A huge congratulations to all Senior and selected Middle School students who represented Emerson School last term in the Inter-School AFL and Netball Program at Greaves Reserve, Dandenong.

Netball A Team – Played an incredible Grand Final, narrowly going down 8 – 6 to Marnebek.

EMERSON SCHOOL MARKET DAY

Tuesday, 18th November, 2025

11.30 am to 1.00 pm

Junior/Senior Campus

The purpose of the Market Day is to raise money to buy equipment for our students. All money raised will be split equally between the Junior, Middle and Senior Schools.

While the purpose of the day is to raise money, there are many skills that our students can learn through their involvement in this day such as: planning, purchasing, organising, advertising and budgeting.

The idea of the market is this ...

For the day to be a success, all classes in the school would need to be involved by running their own stall. The market will be set up in the front car park of the Jnr/Snr Campus.

The market will run between 11.30 am and 1.00 pm. All students will be encouraged to bring money to spend. There will be food stalls where students can buy things to eat. Parents and friends are welcome to come along during market hours and buy from the stalls.

The aim of each stall is to make a profit so that we can buy equipment for our school.
