Principal's Report

By John Mooney

Dear Emerson Community,

As we come to the end of Term 1, I would like to take a moment to reflect on what has been a very busy and productive start to the year. It has been wonderful to see our students engaged in their learning and our community working together to support their growth.

Term 2 promises to be just as full and exciting, with many opportunities ahead for our students and staff.

The Individual Education Plan (IEP) meetings and Student Support Group (SSG) meetings have been invaluable. These have allowed us to set clear goals and pathways for our students, ensuring we are supporting each individual student to achieve their best.

I would like to thank all families for their ongoing support and collaboration throughout the term.

We have also celebrated the induction of our student School Leaders, and we wish them well in their roles within our school.

I hope everyone enjoys a well-deserved holiday break and has the opportunity to rest and recharge. We look forward to welcoming students back refreshed and ready for Term 2 on Monday, 20 April.

John Mooney

Value of the Fortnight

By Dianne Wright - Middle School Principal

We will study the value Courage when we return to school on Monday 20th April.

Anzac Day is always commemorated on 25 April every year. This special day gives us a time to reflect upon the courage of so many men and women who have gone to war to ensure that future generations of Australians can live in peace and enjoy freedom from prejudice and other harmful restrictions. We are very fortunate to live in such a wonderful country where resources are abundant and safety is a priority.

The Anzac spirit, the comradery, mateship and courage can be seen in every Australian. Jaqueline Cations, a journalist for the Herald Sun, wrote that 'the Anzac spirit.... is the ability to fight against the odds and to venture into the unknown to perform acts of great courage, kindness and sacrifice.' Whether it be in the classroom, tackling a difficult problem or being challenged on the sports field, our students also show courage knowing that they must 'soldier' on through adversity if they are to achieve their best.

Drysdale House Breaks the Drought

Drysdale House has made history this term, proudly taking out the Honour Cup for Term 1, 2026—our first victory in over 15 years! It's a fantastic achievement and a true reflection of the consistent effort, kindness, and positive behaviour shown by our students throughout the term.

Every point earned has contributed to this special moment, and it's safe to say—the drought is officially broken.

A huge thank you must go to all Drysdale staff for your hard work, dedication, and commitment. Your support and encouragement play a vital role in fostering the strong sense of pride and teamwork within our house. We are incredibly proud of our Drysdale students and the way they have represented the house—this is a well-deserved trophy.

We would also like to extend a special thank you to former staff member Mr Sam Silverwood for announcing the victory at assembly via satellite!

With momentum now on our side, we look forward to going back-to-back in Term 2!

Kevin Van Twest

Drysdale House Leader

Thank you from Junior School

We would like to extend a heartfelt thank you to Barbara and the wonderful women from the Noble Park branch of the Country Women's Association (CWA).

For many years, these generous ladies have lovingly hand-knitted Easter chickens and Christmas candy cane stockings for the students in JSA, JSB, JSC and JSD, and personally delivered them to Emerson School. Their time, care and thoughtfulness bring so much joy to our students each year.

The CWA is a long-standing community group dedicated to friendship, fundraising, and supporting women and children. The Noble Park branch, which has been running for an incredible 68 years, continues to make a meaningful difference through its strong focus on community service, crafting, and connection.

The Emerson Junior School staff and students are truly grateful for the kindness and generosity of the Noble Park CWA.

Term 1 Junior Swimming Program

Students in JSI, JSJ, JSK and JSL have recently completed a 7-lesson swimming program at Splash's Swimming School during Term 1.

Throughout the program, students worked on developing their water safety skills and swimming techniques. They also built their independence by managing their own belongings, including getting changed and taking care of their swimming items.

As always, it was wonderful to see the students enjoying their time in the pool while learning new skills and growing in confidence.

SSS & MS Graduates URBNSURF Excursion

Students from SSS, along with some Middle School Graduates, recently hit the waves at URBNSURF Melbourne as part of our Future Ready program.

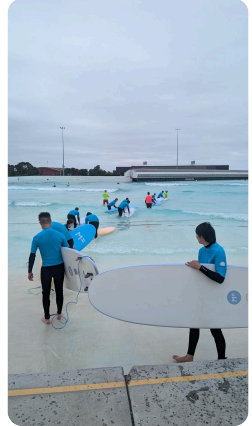

Students began by practising their surfing stance, balance and how to safely stand up on the board before heading into the lagoon to give it a go on real waves. It was great to see students building confidence and persistence as they improved with each attempt.

They then moved into a Water Safety session, learning about currents, rips and how to stay safe in the water, along with practising important CPR skills and how to respond in emergency situations.

To finish, students worked in groups to enter and navigate a current and rip safely, applying their knowledge in a practical setting.

This was a great way to build understanding of how to stay calm and make safe decisions in the water.

A fantastic day developing confidence and safety awareness.

SSS & MS Graduates TreeTop Adventures Excursion

Students from SSS, along with some Middle School Graduates, recently took on the treetops at Tree Adventures Belgrave as part of our Future Ready program

Students navigated a range of high ropes courses, including suspended bridges, climbing elements and tricky obstacles high above the ground. A highlight was the zipline (flying fox) sections, where students clipped in and glided through the trees from platform to platform.

The day challenged students to show confidence, perseverance and teamwork , with everyone supporting each other and celebrating their achievements.

A fantastic hands-on experience building independence and confidence.

Student Achievements

Congratulations to Kobe from MSL and the rest of his team, The Huskeys, on winning the Grand Final of the Pakenham Basketball Association.

The Huskeys beat the Mavericks by 5 points.

Well done to all of the players from both teams!
